Command: edit
Number: 1
Updated name: magic wooden staff
Item number 1 was updated.

Command: drop
Number: 3
cloth shoes was dropped.

Command: exit
Bye!
```

Specifications

- Use a list to store the items. Provide the following three starting items: *wooden staff*, *wizard hat*, and *cloth shoes*.
- The wizard can only carry four items at a time.
- For the edit and drop commands, display an error message if the user enters an invalid number for the item.
- When you exit the program, all changes that you made to the inventory are lost.
